The annual, official event of the Toyota Land Cruiser Association
 July 13-17, 2011 ♦ 23rd Annual Run ♦ www.rubithon.com

For 2011, we're celebrating the life of Gary Bjork, longtime TLCA champion and creator of Toyota Trails.

To confirm your attendance, we must receive your registration by June 30. Registrations after this date will be charged a late fee of \$25. No refunds after 6/30. All attendees must be active TLCA members. You can join or renew while registering for Rubithon.

The Rubicon Trail is one of the most challenging and threatened trails in the U.S. Rules, restrictions and guidelines are actively enforced. Minimum vehicle requirements: 33" tires, and either a single locker or lower gearing. All vehicles must have: Hi Lift Jack, front and rear recovery points, a strap (no chains or metal hooks), fire extinguisher, first aid kit and personal toilet. Gloves are required for all spotters who may need to stack rocks. Your truck must meet or exceed minimum TLCA safety requirements. If not, request approval directly from Rubithon Chairman.

Rubithon is providing California Shock Trauma Air Rescue (CalSTAR) membership available at a reduced rate of \$35 which covers you and your entire family for a year! See www.CalSTAR.org for more details.

New Wheel Deal! Designed for two, the Wheel Deal includes event registration, two meals and two T-shirts for \$150.
